Advertising Terms and Copy Regulations

- Advertisers and agency shall be jointly and severally liable for such monies as are due and payable to Innovative Publishing for advertising ordered by the agency.
- All advertising ordered may be edited or rejected at the discretion of the publisher.
- Invoices for advertising are due and payable upon receipt. Bills are considered overdue 30 days from the date of billing, and a service charge of 1.5 percent per month (18 percent per year) will be levied.
- Advertisers assume sole responsibility for advertisements and indemnify Innovative Publishing against any loss, liability or expense resulting from publication of the advertisements.
- All requests for process color are accepted with the understanding that color shades may vary slightly due to restrictions outside of the control of the publisher.

- The publisher is not responsible for electronic ads and/or artwork supplied by the customer that do not reproduce properly in the magazine.

Frequency Discounts

Frequency discounts are based on the number of ads run in a contract year. A contract year may start at any time. Advertisers who increase their frequency during the contract year will receive an advertising credit; advertisers who cancel or do not fulfill their contract will be billed the difference between the rate earned and the contract rate. In order to earn a bulk or frequency discount, the advertiser must sign an advertising contract in advance and the account must remain current to receive a contract discount. Current is 30 days paid in full from invoice date. Advertisers with a balance of 60 days or more will be unable to advertise without prepayment and 10 percent of entire past-due bill. Contracts will be reviewed to determine if the terms of the agreement were fulfilled.

Contract/Insertion Order Policy

No ad will be placed for print without a signed *EMA Journal* advertising contract and/or an advertising agency insertion order.

All advertisers (including advertising agencies or their clients) must complete and submit to Innovative Publishing a signed *EMA Journal* advertising contract in order to qualify for multi-issue discounted rates ... there are no exceptions. Advertising agency insertion orders do not qualify the advertiser for multi-issue discounted rates unless insertion order is accompanied by a signed *EMA Journal* advertising contract.

All printed rates are subject to change before a signed contract and/or insertion order is received by publisher.

Cancellations

Cancellations must be in writing and received by the publisher prior to the ad closing date. Covers are noncancelable.
